ask for what you need. give what you can.

“The Consortium is a tremendous resource — it’s like having another staff member. They helped us with contacts, how to find software, and other great advice.”

— Jennifer Criscuolo, Development Director,  
Court Watch of North Carolina

The **Guilford Nonprofit Consortium** is a collaborative of **nonprofit organizations**, large and small, in Guilford County, North Carolina that fosters mutual assistance and support.

**peer expertise.** Members turn to the Consortium and to each other for educational programs, leadership training, technical support, volunteers, and networking.

**great value.** Organizations pay one low fee, then their entire staff and board members can attend events and use Consortium services.

“The best thing I’ve done on my journey of starting a nonprofit is become a part of the Consortium. Everything is helpful and well done. Thanks for your efforts in making it a quality organization.”
