

If your fiscal year ended June 30th, your IRS Form 990 filing deadline is November 15th to complete your return or file for an automatic extension.

To get started, go to <http://efile.form990.org>.

You can use 990 Online to electronically file or print your return for mailing.

Our web site guides you through the schedules and statements that you need, checks the arithmetic, and provides context-specific help to make navigating the new Form 990 easy.

If you have used our system in the past but are not planning to use our system this year, we would like to learn why. Please feel free to email us with your feedback or if you would be willing to complete a short survey.
