

New Law Expands NC Nonprofit Raffles

This Spring, the North Carolina General Assembly passed legislation changing the law that governs nonprofit raffles. The bill makes it easier for North Carolina nonprofits to use raffles as fundraising tools by:

- 1) increasing the limits on nonprofit raffle prizes to \$125,000,
- 2) allowing nonprofits to raffle houses worth up to \$500,000,
- 3) allowing statewide nonprofits to conduct up to two raffles per year on behalf of each of their local affiliates.
